

MOVING DAY!

Activity Book for Kids

HOW TO HELP A PARENT/GUARDIAN DURING A MOVE:

1

Create a pile of the things you want to take with you.

2

Create another pile for the things you won't use anymore or you'd like to donate.

3

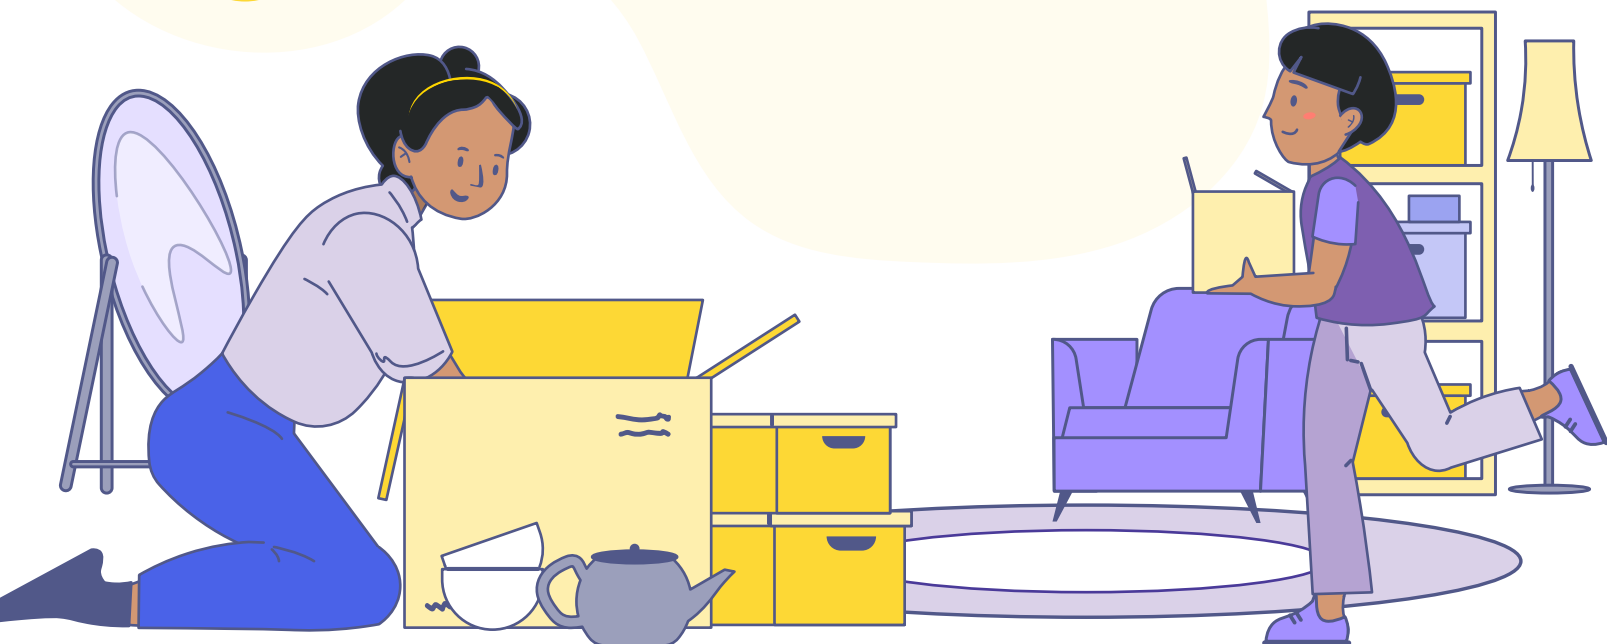

Ask for your parent/guardian's help to box up the things you'd like to bring to your new home. You can pack them in categories like "books," "toys," "clothes," etc.

4

Have a bag or box where you put your things so you won't have a hard time looking for them on the day of the move.

5

Clean up your room as soon as you've sorted and packed all your stuff.
